Notice.

Special meeting of Barre branch, G. C. L. A., will be held in Miles' hall Tuesday, Nov. 28, for the purpose of voting on constitutional revision. The ballot will be open from 4 o'clock until 8 in the evening. Note: See Editorial in October G. C. Journal.

James Mortimer, Secy.

Sec. 31 of our laws provides that when a convention is held, the expenses shall be paid from an assessment of \$1 to be placed on each member of our association.

Evidently members in some localities understand that revision by a convention would also be submitted for general vote and would be open to amendment, etc., but such is not the case. The acts of a convention are final and become the constitution and resolutions of our association without submission for amendment or a vote on adoption. It is only in the event of revision by committee that the report of the revisers is submitted for amendment and adoption.

It is not estimated that the assessment of \$1 on each member to pay the costs of the convention will do more than pay about one-third of the expense, and section 31 provides that the balance of the expenses will come out of the general fund.

Avviso!

Un meeting aggruppato dalla Branch di Barre della G. C. L. A. vera! tenuto nella Miles hall, Martedì 28 Novembre 1911, per lo scopo di votare sulla Revisione della Costituzione. Le urne saranno aperte dalla 4 fino alle 8 pm.

Notate l'articolo di fondo del giornale del G. C. riprodotto qua sotto.

James Mortimer, Segretario.

L'Art. 31 delle nostre leggi stabilisce che quando si tiene un Congresso le spese verranno pagate con una soprattassa di \$1 per ogni membro della nostra associazione.

Certi membri in talune località comprendono che la revisione per mezzo di un Congresso dovrebbe essere sottomessa ad un voto generale e potrebbe venir ancora emendata, ecc. Ma questo non è il caso. Gli atti di un Congresso sono definitivi e divengono la Costituzione e le risoluzioni della nostra Società senza bisogno d'esser sottomessi a emendamenti soltanto in caso di revisione per mezzo di Comitato, il rapporto dei revisori e sottomesso ad esser emendato e accettato.

La soprattassa di \$1 per ciascun membro non arriverà che a pagare il terzo delle spese e l'Art. 31 prevede che il resto delle spese dovrà esser tolto dal fondo generale.

Regular meeting of Barre aerie, 1573, F. O. E., Monday evening at 7:30 in F. O. A. hall. Initiation, also nomination of officers for the ensuing term. W. H. Handy, S. D. of Rutland, will be present. A social hour and smoke talk will follow the close of the meeting.

The Central Vermont switch engine 202, which has a propensity for jumping the tracks, went off the iron near the coal pits in the local yard last night and caused considerable inconvenience before the mishap could be remedied.
